6.3.18.

Dear all,

Just a note to say thank you so much for the very generous amount of money you have donated to 1st Dunglass Brownies once again - so kind of you all.

The Brownies are very much looking forward to an adventure weekend in Dalguise, Perthshire. It will be a great opportunity for them to bond as a group and try some fantastic challenges offered there, something completely different, - raying, abseiling, archery etc which will be a great confidence building exercise for them.

P/10

We go up on 11<sup>th</sup> - 13<sup>th</sup> may and transport is also booked, the girls are very excited.

Other groups will be there too so it will give the girls a chance to meet others too.

Sorry for the delay in writing we have been snowed in at monymusk for 9 days - serious cabin fever. Craig has managed to get the tractor down the road to co-path - he has had to stay with us for a week - serious cabin fever, we had hoped to see Rob but the roads are impassable with a car yet, and maybe for a few more days yet.

Thank you once again for your continued support for the brownies,

Very best wishes to all

Judy (Morrison)
